DATE: June 28, 2011

TO: Honorable Mayor and Members of the Village Council

FROM: Genaro "Chip" Iglesias, Village Manager

RE: Purchase of sixteen (16) Self Contained Breathing Apparatus (SCBA)

RECOMMENDATION

It is being recommended that the Village Council approve the purchase of sixteen (16) Self Contained Breathing Apparatus (SCBA) and accessories from Draeger Safety Inc. using the same contract used by the City of Miami Fire-Rescue Department, Federal General Service Administration Contract (GSA) number GS-07F-9510.

BACKGROUND

The Self Contained Breathing Apparatus (SCBA) are life-saving equipment routinely used by firefighters of the Village Fire Rescue Department to safely enter and combat fire or mitigate hazards under hostile and oxygen deficient circumstances occurring in structural fires, hazardous material incidents, confined and contaminated spaces and other conditions.

In 2002, the Village of Key Biscayne purchased sixteen (16) high pressure forty five (45) minute duration cylinders and air pack backpacks. The current SCBA units carried on both Miami Fire-Rescue trucks as well as Village Fire Rescue trucks are no longer being purchased, maintained or repaired by the City of Miami. Per the Automatic Aid and Ancillary Services Agreement with the City of Miami the purchase of these units is the responsibility of the Village but routine maintenance, testing and repairs is the responsibility of the City of Miami.

The attached Draeger Safety Inc. invoice outlines the purchase price of the requested new equipment ($70,946.84). A portion of the funding for this request is available from the Capital Improvement Program (CIP) Fund SCBA Replacement Project No. 66- FY11 $31,210.00; since, a Purchase Order is required by August 1, 2011 and payment is not due until after October 1, 2011; it is recommended the funding for the remaining balance of $38,440 be provided by the Capital Improvement Plan line item under General Fund Designations.

RESOLUTION NO. 2011-

A CAPITAL PROJECT AUTHORIZING RESOLUTION OF THE VILLAGE COUNCIL OF THE VILLAGE OF KEY BISCAYNE, FLORIDA; PROVIDING FOR THE ACQUISITION OF SIXTEEN (16) SELF CONTAINED BREATHING APPARATUS (SCBA) FOR THE FIRE RESCUE DEPARTMENT FROM DRAEGER SAFETY INC.; AUTHORIZING THE VILLAGE MANAGER TO IMPLEMENT THIS TRANSACTION; PROVIDING FOR A WAIVER OF COMPETITIVE BIDDING; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Fire Rescue Department (the "Department") has a critical need to purchase sixteen (16) new Self Contained Breathing Apparatus (SCBA) which are essential to the mission of the Department to replace discontinued and non-compliant SCBA units; and

WHEREAS, these older models of SCBA units have been routinely used by the Department during fire, medical and other hazardous situations and the current SCBA units comply with previous safety standards; and

WHEREAS, Draeger Safety Inc., is the sole provider of the SCBA units which were previously acquired by the City of Miami after a sole source funding process, and the operating and maintenance software for the system is proprietary to said company; and

WHEREAS, the Department, as a result of the Automatic Aid and Ancillary Services Agreement with the City of Miami, relies solely on the use of these SCBA packs and the Air Program provided by the City of Miami; and

WHEREAS, the Village Manager and the Fire Chief recommend that the purchase of Sixteen (16) PSS 7000 HP Backplate with Harness, Sentinel 7000 and Luxfer L65G 4500PSI Carbon Composite Bottle with Accessories (the "Equipment") from Draeger Safety Inc., the sole source provider, be approved; and

WHEREAS, pursuant to Section 2-85 of the Village Code, the Village Council finds that the use of formal competitive bidding procedures is impractical in light of the sole source factor which is stated above and does hereby waive formal competitive bidding for the purchase; and

WHEREAS, the Village Council finds that the Equipment purchase is in the best interest and welfare of the Village.

NOW, THEREFORE, BE IT RESOLVED BY THE VILLAGE COUNCIL OF THE VILLAGE OF KEY BISCAYNE, FLORIDA AS FOLLOWS:

Section 1. **Recitals Adopted.** That each of the above stated recitals are hereby adopted, confirmed and incorporated herein.

Section 2. **Capital Project Authorizing Resolution.** That pursuant to Section 3.07 (b) of the Village Charter, this Resolution shall constitute a Capital Project Authorizing Resolution. The Capital Project is the purchase of the Equipment, at a total cost not to exceed Seventy Thousand Nine Hundred Forty Seven ($70,947.00) Dollars.

Section 3. **Purchase Authorized: Transaction Approved: Implementation.**

A. That the Equipment purchase is hereby authorized.

B. That the Village Manager is hereby authorized to purchase the Equipment at a cost which is consistent with Section 2 of this Resolution, using funds provided by the Capital Improvement Fund of the Village Budget, and is authorized to sign any necessary purchase orders or documents upon approval by the Village Attorney as to form and legal sufficiency.

C. That the Village Manager is authorized to take any action which is necessary to implement the purchase transaction and this Resolution.

Section 4. **Waiver of Competitive Bidding.** That the Village Council hereby waives competitive bidding, pursuant to Section 2-85 of the Village Code, because the use of

formal competitive bidding procedures is impractical in light of the sole source factor stated above in the recitals.

Section 5. **Effective Date.** That this Resolution shall be effective immediately upon adoption.

PASSED AND ADOPTED this 28th day of June, 2011.
