RE: Beach Renourishment Project – DEP's confirmation of Village's support

RECOMMENDATION

It is recommended that the Village Council approve a Resolution providing the Florida Department of Environmental Protection (DEP) confirmation that the Village has committed funds and supports the construction and monitoring of the Beach Renourishment Project.

BACKGROUND

On September 8, 2008 the Village Council approved Resolution number 2008-47 in support of the funding application submitted to DEP for the Beach Renourishment Project. Every year thereafter the Village has provided a new Resolution to DEP in order to keep the project active.

The Village is now submitting a new Resolution in support of the new funding application for fiscal year 2015-2016.
