RE: Purchase of Automated External Defibrillators (AED) from One Beat CPR Learning Center, Inc for the Village Public Access AED Program and Village Vehicles

RECOMMENDATION

It is recommended that the Village Council authorize the purchase of Automatic External Defibrillators (AEDs) and the associated equipment to support the AED Program. The purchase will not exceed $85,000 and the funding will be obtained from the FY2015 CIP Fire Rescue Equipment and AEDs line items.

BACKGROUND

The two components of the AED Program include public access and placement in Village vehicles. Approximately twenty-five (25) AEDs will be placed in publicly accessible locations. Grant awards and placement will be made via the AED Program Committee. A maximum of forty-six (46) Village vehicles have been identified to be outfitted with AEDs. These include the Police Department Patrol Cars thirty-four (34), Fire Department support vehicles five (5), Recreation Department Vehicles including the bus three (3), Building Zoning, Planning and Public Works Department five (5).

The cost for each indoor AED unit is $815.00 and a ruggedized AED unit is $975.00 which may be better suited for vehicles and outdoor use. The associated equipment required for implementation such as mounts, boxes and alarms will be covered by the funding source.
