Minutes: July 25, 2006 Meeting

1. The meeting was called to order at 8:15 PM.
2. Attendance was recorded by Staff.
3. The minutes of the July 11, 2006 meeting were approved.
4. The Board discussed the following: The Board met at the Sarah Morris Site for purposes of observing the artwork at night. There was a consensus that the lighting levels in each of the pools was acceptable. The Board decided to withhold a final determination until the new grills over the lights were installed and the water level raised. Staff said the new over flow grills (2) will be delivered in two weeks and the grills (8) over the lights will be delivered in three weeks. Staff said that the Sarah Morris Studio requires full payment prior to shipping the grills and that this policy has delayed the completion of the project.
5. The meeting adjourned at 9:46 PM .
6. Respectively Submitted
