BUDGET WORKSHEET

Under Florida's Constitution, local governments possess home rule powers and may, therefore, utilize a variety of revenue sources for funding services and improvements without express statutory authorization. Building Permit Fees are a type of regulatory fee imposed pursuant to the local government's police powers in the exercise of its sovereign functions. The imposed fee cannot exceed the cost of the regulatory activity, and the fee is generally required to be applied solely to pay the cost of the regulatory activity for which it is imposed.

BUDGET WORKSHEET

Franchise Fees are a type of proprietary fee imposed based on the assertion that local governments have the exclusive legal right to impose such fees. The imposed fee must be reasonable in relation to the privilege or service provided by the local government, or the fee payer receives a special benefit from the local government. Local governments may impose a fee upon a utility for the grant of a franchise and the privilege of using local government's rights-of-way to conduct the utility business.
