Village Manager
John C. Gilbert

DATE: May 10, 2016

TO: Honorable Mayor and Members of the Village Council

FROM: John C. Gilbert, Village Manager

RE: Village Green Artificial Turf Proposals

RECOMMENDATION

It is recommended that the Village Council proceed with the installation of an artificial surface on both playing fields at the Village Green. The following four (4) artificial turf companies: Easy Grass/Astro Turf, Field Turf, Sprinturf/CSR Construction and GreenFields/Burke Construction Group will provide proposals to conduct the work on both playing fields. These proposals will be provided to the Village Council at the Council Meeting.

If the Village Council wishes to move forward, a Public Hearing and the first reading of a Capital Project Authorizing Ordinance to proceed would be presented at the May 24th, 2016 Zoning Meeting. The second reading of the Ordinance would be scheduled for June 14th, 2016. At that time, the recommended company will provide a short presentation regarding their product(s) and services to the Council.
