IN WITNESS WHEREOF, I HAVE HEREUNTO SET MY HAND AND OFFICIAL SEAL OF THE VILLAGE OF KEY BISCAIYNE THIS 11th DAY OF April, 2006.

MAYOR ROBERT OLDAKOWSKI

Dear Mayor:

The U. S. Congress established the Days of Remembrance as our nation's annual commemoration of the victims of the Holocaust and created the United States Holocaust Memorial Museum as a permanent living memorial to those victims. In accordance with its Congressional mandate, the Museum will again lead the nation in the annual Days of Remembrance of the Victims of the Holocaust. This year's observances will take place from Sunday, April 23 through Sunday, April 30, 2006. The Day of Remembrance, *Yom Hashoah*, is April 25.

The Museum has designated "**Legacies of Justice**" as the theme for the 2006 Days of Remembrance in honor of the courage of, and the precedents set by, those who testified during the trials of Nazi war criminals at Nuremberg and other locations immediately after World War II. The theme also pays tribute to those who work tirelessly for the cause of justice, both then and now. Reflection on the prosecution of Nazi perpetrators reminds us that we must take action to prevent atrocities and vigorously pursue justice for the victims of such acts of hatred and inhumanity.

We respectfully encourage you to commemorate the Days of Remembrance with appropriate ceremonies and programs and to issue, as your office has done in the past, a special Days of Remembrance Proclamation for distribution to your constituents. A sample is enclosed for your consideration along with a background piece on the theme is enclosed. For further information on Days of Remembrance you may wish to visit the Museum's website at www.ushmm.org.

Situated among our national monuments to freedom, the Museum is both a memorial to the past and a living reminder of the moral obligations of individuals and societies. Through educational activities, programs for leaders, and global outreach, the Museum works to ensure that all generations, now and in the future, learn the timely and urgent lessons of the Holocaust.

In today's troubled world the lessons of the Holocaust are more urgent than ever. We are grateful for your leadership and support in this important endeavor.

Sincerely,

Fred S. Zeidman

March 7, 2006

Dear Esteemed Colleague:

Subject: Proclaiming April as Water Conservation Month

For the last eight years, the Governor and Cabinet have recognized the importance of water conservation by proclaiming April as "Water Conservation Month". In 2005, 75 local governments and entities adopted a water conservation month proclamation, and the list of adopters was presented to Governor Jeb Bush and the Cabinet at a special ceremony during the April Cabinet meeting.

This year, we would like your community to continue reflecting your commitment to water conservation by proclaiming April as Water Conservation Month. The South Florida Water Management District has several hundred local governments and many social, cultural, and environmental organizations within its 16 county jurisdiction and our goal is to have the largest number of water conservation proclamations in the State.

Please help our Miami-Dade Service Center office by filing your proclamation that will be sent to the Governor at the end of March. Attached is a sample proclamation for your use.

We would like to have the proclamations ready by March by Friday, March 24th, 2006 and I will make arrangements for pick up. If I can be of service to you in any other matter please do not hesitate to call me directly at 305.299.4900

Sincerely,
