The Honorable Robert Oldakowski  
Mayor, Village of Key Biscayne  
88 W. McIntyre Street  
Key Biscayne, FL 33149

Dear Mayor Oldakowski:

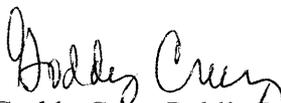

The month of September has been designated as Life Insurance Awareness Month by the Life and Health Insurance Foundation for Education (LIFE) and the National Association of Insurance and Financial Advisors (NAIFA). More than half of all families with financial dependents feel that they don't have enough life insurance to safeguard their families' financial future. Life Insurance Awareness Month is an educational campaign designed to help consumers be aware of their life insurance needs, seek professional advice, and take the actions necessary to ensure the financial security of their loved ones.

Life Insurance Awareness Month will be celebrated and recognized by NAIFA's local affiliate, Miami-Dade Association of Insurance and Financial Advisors. Many local events will be sponsored in conjunction with this recognition, including free blood pressure screenings, presentations in local schools, and programs for business and civic associations.

In connection with this celebration, we are requesting that you issue and sign the enclosed Proclamation designating September as Life Insurance Awareness Month in the Village of Key Biscayne. We invite you to attend our association luncheon meeting at noon on September 21 at the Miami Springs Country Club, 650 Curtiss Parkway, Miami Springs, to present your Proclamation in person. If you are unable to attend, please mail it back to the association at the address indicated above. Of course, if I can answer any questions, please feel free to call me at 305-670-3765.

Your assistance is greatly appreciated, and we invite you to attend one of our luncheon meetings at any time.

Yours very truly,

  
Goddy Cruz, Public Relations Chairman  
Miami-Dade Assn. of Insurance and Financial Advisors

Dear Mayor Oldakowski:

Re: SALF Month September 2006

The Save A Life Foundation (SALF), a proud member of the U.S. Department of Homeland Security's National Preparedness Month Coalition and also of Citizen Corps, asks you to proclaim the month of September 2006 as "Save A Life Month" for your community.

We, as mayors, along with SALF founder and president Carol Spizzirri, are asking for your help in declaring September 2006 as Save a Life Month. SALF works with state governments, municipal leaders and emergency medical service (EMS) providers in preparing citizens for emergencies. The goal is to train the masses, starting with our nation's youth (grades K-12) to respond effectively and safely during medical emergencies, before paramedics arrive.

Recently, the United States Conference of Mayors passed the Community Response System Initiative (CRSI) resolution, and your proclamation of Save A Life Month 2006 will provide additional support of the mission to empower the public with the ability to be active bystanders equipped with basic life-supporting first aid skills. With your proclamation, we ask that you distribute SALF information, support its mission, activities, events, and welcome their basic life-supporting first aid training programs into your community.

It would be appreciated, if you would please forward your proclamation to SALF's National Headquarters so your support can be included on the SALF website at [www.salf.org](http://www.salf.org). A sample format for the "Save A Life Month" 2006 Proclamation is enclosed.

Thank you in advance for your support in considering this proclamation as part of your community's emergency preparedness efforts.
