RE: PURCHASE AND INSTALLATION OF
PLAYGROUND EQUIPMENT

RECOMMENDATION

It is recommended that the Village Council approve the contract with Playmore, Inc. for the purchase and installation of playground equipment for the Village Green.

BACKGROUND

The GameTime equipment on the Village Green was originally purchased on January 6, 1995. Resolution 94-39 authorized a \$128,212.00 contract between the Village of Key Biscayne and GameTime for to purchase and installation of the original playground equipment.

On December 13, 2005 the Village Council placed \$150,000 for playground equipment replacement in the Capitol Projects Fund.

On February 10, 2006 the Village Council approved a \$42,264 project for the toddler area of the playground. This project will address the 6-12 area of the playground. The \$121,705.40 required for this project will be funded by the \$107,736 remaining in the Capitol Projects Funds with the balance being paid by a \$50,000 Florida Recreation Development Assistance Grant awarded to the Village of Key Biscayne.

Three playground design firms submitted plans to the Village. The plans we reviewed by residents at meetings open to the public. The design before you tonight was the agreed upon design and equipment. Staff contact ten municipalities and school districts who were all pleased with the product and service provided by Playmore, Inc.
