**RE: Ordinance Amending Village Code to Create Emergency Purchasing Procedures**

## RECOMMENDATION

As authorized by the Village Council, and pursuant to my request, the Village Attorney has drafted the enclosed proposed ordinance in order to provide for procedures enabling certain emergency purchases.

Council approval of the Ordinance is recommended.

## BACKGROUND

The enclosed ordinance would enable me to make certain limited purchases on an emergency basis without formal competitive bidding or prior Council authorization, under the circumstances specified in the ordinance and subject to a \$25,000 limit.

If this emergency purchasing authority is used, a report will be made at the next council meeting, as required by the ordinance.
