RE: Proposed Resolution of the Village Council Providing For Ratification of the Collective Bargaining Agreement Between the Village and the International Union of Police Associations, AFL-CIO

RECOMMENDATION

It is recommended that the Village Council consider the adoption of the enclosed resolution which authorizes and approves the ratification of the Collective Bargaining Agreement ("Agreement") between the Village of Key Biscayne ("Village") and the International Union of Police Associations, AFL-CIO ("Lieutenants' Union").

BACKGROUND

This is the Lieutenants' Union's first Agreement with the Village. Notably, the Agreement mirrors in large part the Collective Bargaining Agreement between the Village and the Union that represents the Village's police officers and sergeants (i.e., the International Brotherhood of Teamsters, Local 769 "the Teamsters"). The Agreement, which will apply to the Village's four (4) Police Lieutenants, is for a two year term and expires at the same time as the Village's Collective Bargaining Agreement with the Teamsters (i.e. September 30, 2009).

AGREEMENT HIGHLIGHTS AND SUMMARY

The following key sections of the Agreement have been summarized for the Council's convenience:

- **Wages.** Lieutenants will receive a two percent (2%) wage increase as a contract ratification supplement retroactive to October 1, 2006. Lieutenants will receive three percent (3%) cost of living increases for fiscal years 2008 and 2009. The Lieutenants' Union will also have the right to request to reopen the Agreement to negotiate regarding cost of living increases should any Village employee receive an annual cost of living increase higher than three percent (3%) during the life of the Agreement.

- **Longevity Pay.** Lieutenants with fifteen (15) or more years of service will receive a five percent (5%) increase to their base pay. Lieutenants with twenty (20) or more years of service will receive an additional five percent (5%) increase to their base pay.
- **Health and Life Insurance Coverage.** The Village will provide its Police Lieutenants with fully paid individual and family health insurance coverage. In addition, the Village will reimburse Lieutenants for all health insurance premiums paid by those Lieutenants receiving Village health insurance coverage between August 1, 2006 and the date of the ratification of the Agreement.
- **Shift Pay Differential.** Lieutenants will receive a three percent (3%) increase to his or her base pay for all hours worked between the hours of 6:00 p.m. and 6:00 a.m. beginning on the date of the ratification of the Agreement. It is important to note that the shift pay differential generally will not apply to emergency assignment situations – i.e., assignments made for a period of less than forty (40) hours or overlap situations.
- **Pension.** No changes have been made to the Lieutenants' pension benefits.

ARTICLE 10

10.1 In a mutual effort to provide harmonious working relations between the parties to this Agreement, it is agreed to and understood by both parties that there shall be a procedure for the resolution of grievances between the parties arising from any alleged violation of the specific terms of this Agreement. Grievances relating to alleged violations of the specific terms of this Agreement shall be processed in the following manner.

10.2 **Formal Grievance Procedure**

STEP 1

Whenever an employee has a grievance, he should first present it to the Police Chief in writing within seven (7) days of the event giving rise to the grievance. The grievance shall be signed by the employee and shall specify all of the following. (a) The date of the alleged grievance; (b) the specific Article or Articles and Section or Sections of this Agreement allegedly violated; (c) the facts pertaining to or giving rise to the alleged grievance; and (d) the relief requested. The Police Chief may informally meet with the employee to address the grievance, provided that the Union is provided with notice and an opportunity to be present. The Police Chief shall reach a decision and communicate in writing to the employee and the Union representative within ten (10) calendar days from receipt of the grievance.

STEP 2

If the grievance is not resolved at Step 1, or if no written disposition is made within the Step 1 time limits, the employee shall have the right to appeal the Step 1 decision to the Village Manager or his/her designee within seven (7) calendar days from the due date of the Step 1 response. Such an appeal must be accompanied by a copy of the original written grievance. The Village Manager or his/her designee may conduct a meeting with the grievant and his Union representative, if needed. The Village Manager or his/her designee shall, within ten (10) calendar days after the

presentation of the grievance (or such longer period of time as is mutually agreed upon in writing), render his/her decision on the grievance in writing to the aggrieved employee and the Union representative.

- 10.3 If the grievance is not resolved at Step 2, or if no written disposition has been rendered within the applicable time limits, the employee shall have the right to appeal to binding arbitration within ten (10) calendar days from the date the Step 2 disposition is given, or the due date of that decision, if no written decision is made.
- 10.4 A grievance not advanced to the higher step within the time limits provided shall be deemed permanently withdrawn as having been settled on the basis of the most recent decision given. Failure on the part of the Village to answer within the time limits set forth in any Step will entitle the employee to proceed to the next step. The time periods contained herein may be mutually waived or extended due to unforeseen circumstances.
- 10.5 The arbitrator may be any impartial person mutually agreed upon by the parties. In the event the parties are unable to agree upon said impartial arbitrator within ten (10) calendar days after the Village or Union request arbitration, the parties shall jointly request a list of seven (7) names from the Federal Mediation and Conciliation Service. Within ten (10) calendar days of receipt of the list, the parties shall alternately strike names, with the Village striking first. The remaining name shall act as the arbitrator.
- 10.6 The Village and the Union shall mutually agree, in writing, as to the statement of the grievance to be arbitrated prior to the arbitration hearing and the arbitrator shall confine his decision to the particular grievance specified. In the event the parties fail to agree on the statement of the grievance to be submitted to the arbitrator, the arbitrator shall confine his consideration and determination to the written statement of the grievance and the response of the other party. Copies of any documentation provided to the arbitrator by either party shall be simultaneously provided to the other party.
- 10.7 The arbitrator shall have no authority to change, amend, add to, subtract from, or otherwise alter or supplement this Agreement or any part thereof or amendment thereto. The arbitrator shall have no authority to consider or rule upon any matter

which is stated in this Agreement not to be subject to arbitration. The arbitrator may not issue declaratory or advisory opinions.

10.8 Copies of the arbitrator's decision shall be furnished to both parties within thirty (30) days of the closing of the arbitration hearing. The arbitrator's decision will be final and binding on all parties.

10.9 Each party shall bear the expense of its own witnesses and of its own representatives for the purposes of the arbitration hearing. The parties agree to equally share the Arbitrator's fee and any related expenses including any cost involved in requesting a panel of arbitrators. The hearing room shall be supplied and designated by the Village. Any person desiring a transcript of the hearing shall bear the cost of such transcript, unless both parties mutually agree to share such cost.

10.10 Unless otherwise agreed to by both parties, grievances under this Agreement shall be processed separately and individually. Accordingly, only one (1) grievance shall be submitted to an arbitrator for decision in any given case. Settlement of grievances prior to the issuance of an arbitration award shall not constitute a precedent or an admission that the Agreement has been violated.

Due to the nature of the job, in the event an employee is unable to utilize these designated break times there is no obligation on the part of the Village to either restore to or compensate the officer for said lost break time.
- 13.3 For the purpose of this Agreement, a shift means the time during which an employee is on scheduled duty. A shift shall be no less than eight (8) hours.
- 13.4 No employee shall be required to work a split shift. Whenever a shift rotation occurs, or an employee rotates to a new shift, the employee will be entitled to at least the number of hours equal to one scheduled shift of off-duty time prior to returning to work.

However, the time off will be charged against his or her choice of accumulated leave and he or she must notify the Chief of Police.

- 13.9 All bargaining unit employees shall be compensated for all overtime and Holiday work as described above as it occurs or they may accumulate compensatory leave in accordance this Article.

- 13.10 Holidays, vacation days and other paid time off to which a sworn police officer is entitled as a matter of right under or by virtue of any ordinance of the Village or this Agreement shall be considered as time worked for the purposes of seniority, longevity or other matters where tenure is a factor.

A Village Compensation and Leave Request Form reflecting the allowance of time off as compensatory time shall be provided to the Chief of Police or his designee at the time the bargaining unit member requests leave.

13.11.4 Compensatory time may be accumulated up to four hundred and eighty (480) hours. Compensatory time will be paid out upon the bargaining unit employee's separation from employment at the rate of pay at the time of separation, except in the case of a line of duty death. If the Union representing the Village's police officers and sergeants agrees to a contract article that decreases the cap for accumulation of compensatory time for employees covered by that Agreement, the decreased cap for accumulation of compensatory time will become effective immediately for employees covered by this Agreement.

ARTICLE 14
LEAVES OF ABSENCE

Because of potentially impairing side-effects which could endanger the employee, coworkers, or the public, upon being prescribed such medications, all employees have a duty to contact the MRO before they report to work. The MRO will determine which duties (if any) the employee may perform while taking the impairing or potentially impairing medication(s) and will so notify the Police Chief or his designee.
- 17.11 Employees may contact the Village's MRO to ask questions concerning prescribed medications they are taking for clarification purposes involving fitness for duty assessments.
