FROM: John C. Gilbert, Village Manager
RE: Purchase of forty (40) Glock .40 Caliber Glock Semi-Automatic pistols model 22GEN4 with night sights, three magazines each and appropriate retention duty holsters from Lou's Police Distributors, Inc.

RECOMMENDATION

It is recommended that the Village Council approve the attached Resolution authorizing the Village Manager to purchase forty (40) Glock .40 Caliber Semi-Automatic pistols Model 22GEN4 with night sights, three magazines each and appropriate retention duty holsters from Lou's Police Distributors, Inc.

The cost to purchase (40) Glock .40 Caliber Semi-Automatic pistols Model 22GEN4 is \$8,609 (see attached quote as Exhibit "A"). The funding for this purchase will be obtained from the Key Biscayne Police Department Federal Asset Sharing Fund. The current balance of this account is approximately \$166,000.

BACKGROUND

The Chief of Police has chosen the lowest bid from Lou's Police Distributors, Inc. to purchase forty (40) Glock Semi-Automatic pistols model 22GEN4 to replace the current issued firearms (the Sig Sauer).

Currently, the Sig Sauer, because of its finish is prone to premature damage due to the proximity to salt water; its magazines carry twelve (12) while the Glock's carry fifteen (15) and lastly, the Glock has twenty-one (21) fewer moving parts than the Sig Sauer. Additionally, the Glock has a "safe-action" trigger system. This purchase would enhance accuracy, make it less likely to have an accidental discharge and provide a more viable investment to the Village of Key Biscayne Police Department.
