TO: Honorable Mayor and Members of the Village Council

FROM: John C. Gilbert, Village Manager

RE: Resolution of the Village Council Authorizing the Purchase of Personal Protective Equipment for Structural Firefighting

RECOMMENDATION

It is recommended that the Village Council approve the attached Resolution approving the purchase of Personal Protective Equipment for Structural Firefighting Turnout Gear. The purchase of this equipment will be based upon the competitive bid process undergone by Lake County, Florida, attached as Exhibit A (Lake County Bid No. 12-0806). Bennett Fire Products Company, Inc. was awarded the bid by Lake County, FL.

The pricing provided to the Village by Bennett Fire Products Company, Inc. is a discount to what was provided in the Lake County, FL competitive bid, attached as Exhibit B. In addition, prices from other manufactures were requested and it is recommended that Bennett Fire Products Company, Inc., the representative of Globe Turnout Gear, will provide the most efficient and effective pricing to the Village. This purchase would be funded by the FY2014 CIP line item entitled "Turnout Gear" in an amount not to exceed \$48,000.

BACKGROUND

The Village of Key Biscayne Fire Rescue Department Structural Firefighting Turnout Gear has a useful life of 10 years per the National Fire Protection Association Standard 1851 (edition 2008). This purchase would be to replace nineteen (19) trousers and sixteen (16) jackets that have either reached or approaching the maximum useful life. This equipment is tested to meet standards every year. The turnout gear is repaired in a cost effective manner to maximize the use.

This equipment is assigned to each member of the Department and deployed everyday by a member on duty. It provides for thermal protection from superheated gases, protection against solids or liquids and provides high visibility for personnel when on emergency scenes. The turnout gear may be worn on a variety of responses that include medical calls when appropriate, fire related emergencies, car accidents and roadway emergencies in addition to training activities.
