

RESOLUTION NO. 2016 -

A RESOLUTION OF THE VILLAGE COUNCIL OF THE VILLAGE OF KEY BISCAYNE, FLORIDA, SUPPORTING PLAN Z FOR MIAMI 2.0; PROVIDING FOR TRANSMITTAL; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Village of Key Biscayne, Florida (the “Village”) has an interest in creating a safe, dedicated, and separate corridor for vulnerable road users like cyclists, walkers, and runners who use the roadway and paths adjoining the Rickenbacker Causeway; and

WHEREAS, Plan Z for Miami 2.0, as depicted in the plan attached hereto as Exhibit “A” (the “Plan”), would transform the Rickenbacker Causeway from a roadway designed with the single purpose of moving automobile traffic into a multimodal recreational asset, which will create a linear park for cyclists, walkers, and runners traveling to and from the Village; and

WHEREAS, after review and consideration of the Plan, the Village Council desires to express its support for the Plan, subject to the following conditions that the Plan: (1) includes a safe and dedicated corridor for cyclists, walkers and runners that is separate and distinct from motor vehicle traffic; (2) provides for no reduction in the number of lanes of motor vehicle traffic or the speed limit on such lanes; and (3) eliminates all left-hand turns on the Rickenbacker Causeway; and

WHEREAS, the Village Council finds that this Resolution is in the best interests of the residents of the Village.

NOW, THEREFORE, BE IT RESOLVED BY THE VILLAGE COUNCIL OF THE VILLAGE OF KEY BISCAYNE, FLORIDA, AS FOLLOWS:
