MEMORANDUM

Village Manager
John C. Gilbert

DATE: May 24, 2016
TO: Honorable Mayor and Council Members
FROM: John C. Gilbert, Village Manager
RE: Calusa Park Golf Cart Path Project - Second Phase

RECOMMENDATION

It is recommended that the Village Council approve the attached Resolution authorizing the Village Manager to execute an Agreement with Leed Construction Group, LLC (attached as Exhibit "A") for the second/final phase of the Calusa Park Golf Cart Path Project in an amount not to exceed \$56,600. Funding for this project is in the FY2016 Capital Improvements Plan.

BACKGROUND

This project was originally identified in the 2020 Vision Plan and detailed in the Golf Cart Master Plan. The first phase was completed in January 2015 and consisted of a nine (9) ft. wide pathway composed of brick pavers. The path begins at the roundabout at the intersection of Harbor Drive and Fernwood Road to Calusa Park (between St. Agnes Catholic Church and the Harbor Plaza Shopping Center). The second phase will extend the pathway to the Calusa Park parking lot. The Village was required to enter into an agreement with Miami-Dade County, granting permission to extend the path (attached as "Exhibit "B"). The path consists of a ten (10) ft. wide pathway composed of limerock bordered by wood planks. These materials were selected due to the environmental nature of Calusa Park.

Notice of Bid Invitation was published via Demandstar, Daily Business Review and the Islander News. Five (5) bids were received. Leed Construction Group is the lowest, most responsive and responsible bidder. The project will be substantially completed within forty five (45) calendar days from the date specified in the Notice to Proceed, which is anticipated by May 27, 2016.
