RECOMMENDATION

It is recommended that the Village Council approve a budget not to exceed \$8,000 for the temporary lighting of the Village Green for the months of December, January and February.

BACKGROUND

The Village has received the lowest estimate for temporary lighting from Neff Rentals of five hundred per month per light. Lighting the southern half of the Village Green can be done, for practices, with four (4) light towers. The cost will be \$2,000 per month for three months plus fuel expenses. This cost shall not exceed \$8,000.
