TUESDAY, JANUARY 16, 2007

COUNCIL CHAMBER  
560 CRANDON BOULEVARD

The meeting was called to order by the Mayor at 7:00 p.m. Present were Councilmembers Michael W. Davey, Steve Liedman, Thomas Thornton, Patricia Weinman and Vice Mayor Jorge E. Mendia. Councilmember Enrique Garcia and Mayor Robert L. Vernon were absent. Also present were Village Manager Jacqueline R. Menendez and Village Attorney Stephen P. Helfman.

Silvia Vargas with WRT made the presentation to the Council.

The Council retained WRT, LLC. to conduct an evaluation of the suitability of current land development regulations applicable in the Hotel -Resort Zoning District, which encompasses the sites of the former Sonesta Beach Resort and the Silver Sands Beach Resort. WRT was charged to conduct an objective analysis of the existing zoning and of two current proposals, which include a redevelopment application for the Sonesta site and alternative regulations for the HR resort introduced by a resident group, in order to allow all parties involved to understand the differences between, and ramifications of, the various proposals.

The analysis focuses on the regulatory criteria of setbacks, height, bulk, density and intensity. Issues pertaining to uses, buffers, parking, and on-site circulation are considered to the extent that they are interconnected to the density and dimensional regulations. Ultimately, the intent of this analysis is to develop a set of preliminary recommendations for development guidelines applicable to the HR district that are reasonable given the site context.

The Council reviewed the WRT Report and provided for public input.
