

ORDINANCE NO. 2007-7

AN ORDINANCE OF THE VILLAGE OF KEY BISCAIYNE, FLORIDA; AMENDING CHAPTER 26 OF THE VILLAGE CODE, "TRAFFIC AND VEHICLES", BY CREATING ARTICLE IV, "DANGEROUS INTERSECTION SAFETY", PROVIDING FOR RECORDED IMAGE MONITORING AND ENFORCEMENT OF RED LIGHT INFRACTIONS AND FOR RELATED PROCEDURES AND PROVISIONS; AMENDING CHAPTER 2 "ADMINISTRATION", ARTICLE III "CODE ENFORCEMENT", SECTION 2-42 "CIVIL PENALTIES AND RELATED TERMS CONSTRUED", TO FACILITATE USE OF CODE ENFORCEMENT MECHANISM FOR DANGEROUS INTERSECTION SAFETY; PROVIDING FOR SEVERABILITY; PROVIDING FOR INCLUSION IN THE CODE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the running of red lights causes a safety hazard affecting every citizen and traveler in the Village of Key Biscayne; and

WHEREAS, the Village of Key Biscayne wishes to reduce the running of red lights by creating an additional enforcement mechanism.

NOW, THEREFORE, IT IS HEREBY ORDAINED BY THE VILLAGE COUNCIL OF THE VILLAGE OF KEY BISCAIYNE, FLORIDA, AS FOLLOWS:

Section 1. Recitals Adopted. That the recitals set forth above are hereby adopted and confirmed.

Section 2. Dangerous Intersection Safety. That the Village Code of the Village of Key Biscayne is hereby amended by amending Chapter 26 "Traffic and Vehicles " by creating Article IV "Dangerous Intersection Safety", to read as follows:

Chapter 26 Traffic and Vehicles

Article IV Dangerous Intersection Safety

Sec. 26-44. Intent.

The purpose of this article is to authorize the use of an unmanned cameras/monitoring system to promote compliance with red light signal directives as proscribed by this article, and to adopt a civil enforcement system for red light signal violations. This article will also supplement law enforcement personnel in the enforcement of red light signal violations and shall not prohibit law enforcement officers from issuing a Notice for a red light signal violation in accordance with other routine statutory traffic enforcement techniques.

Sec. 26-45. Use of Image Capture Technologies.

The Village shall utilize image capture technologies as a supplemental means of monitoring compliance with laws related to traffic control signals, while assisting law enforcement personnel in the enforcement of such laws, which are designed to protect and improve public health, safety and welfare. This section shall not supersede, infringe, curtail or impinge upon state or county laws related to red light signal violations or conflict with such laws. Nothing herein shall conflict with the primary jurisdiction of Miami-Dade County to install and maintain traffic signal devices. This article shall serve to enable the Village to provide enhanced enforcement and respect for authorized traffic signal devices. The Village may utilize image capture technologies as an ancillary deterrent to traffic control signal violations and to thereby reduce accidents and injuries associated with such violations. Notices of infractions issued pursuant to this article shall be addressed using the Village's own Board of Special Magistrates and not through uniform traffic notices or county courts. This shall not bar the use of uniform traffic citations and the county courts when Village police personnel decide not to rely on this article as the enforcement mechanism for a specific violation.

Sec. 26-46. Definitions.

The following definitions shall apply to this article:

INTERSECTION. The area embraced within the prolongation or connection of the lateral curb line; or, if none, then the lateral boundary lines, of the roadways of two roads which join or intersect one another at, or approximately at, right angles; or the area within which vehicles traveling upon different roads joining at any other angle may come in conflict.

An electronic system consisting of one or more vehicle sensors, working in conjunction with a traffic control signal, still camera and video recording device, to capture and produce recorded images of motor vehicles entering an intersection against a steady red light signal indication.

Sec. 26-47. Adherence to Red Light Traffic Control Signals.

Motor vehicle traffic facing a traffic control signal's steady red light indication shall stop before entering the crosswalk on the near side of an intersection or, if none, then before entering the

intersection and shall remain standing until a green indication is shown on the traffic control signal; however, the driver of a vehicle which is stopped at a clearly marked stop line, but if none, before entering the crosswalk on the near side of the intersection or, if none, then at the point nearest the intersecting roadway where the driver has a view of approaching traffic on the intersecting roadway before entering the intersection in obedience of a steady red traffic control signal, may make a right turn (unless such turn is otherwise prohibited by posted sign or other traffic control device) but shall yield right-of-way to pedestrians and other traffic proceeding as directed by the traffic control signal at the intersection.

Sec. 26-49. Ninety Day notice; introductory period.

The Police Chief shall notify the Village Manager when the red light camera system is operating correctly at the initial location established. For the ninety days following said notification, unless the driver of a vehicle received a citation from a police officer at the time of a red zone infraction in accordance with routine traffic enforcement techniques, the vehicle owner shall receive a warning in the form of a courtesy notice of the violation. Commencing ninety one days after the above referenced notification, the vehicle owner is subject to the enforcement provisions as provided herein and no warning shall be given pursuant to this Article.

Sec. 26-50. Review of Recorded Images.

- (1) Pay the assessed civil penalty pursuant to instructions on the Notice; or
- (2) Appear before the Board of Special Magistrates to contest the Notice.

owner may present testimony and evidence.

(D) Recorded images indicating a red zone infraction, verified by the Traffic Control Infraction Review Officer, are admissible in any proceeding before the Village's Board of Special Magistrates to enforce the provisions of this article, and shall constitute prima facie evidence of the violation.

Sec. 26-58. Penalty.

A violation of this article shall be deemed a non-criminal, non-moving violation for which a civil penalty, as proscribed in Article III of Chapter 2 of this Code, shall be assessed.
