Hello Ms. Isabel.

Thank you for the revised EC.

For your records, please refer to the attached message.

Ms. Rojas should be receiving the original EC signed/sealed.

That is the one we can sign off on.

As a preliminary review, after speaking and coordinating with Mr. Ibarra and Mr. Ben Stigler, the EC received this date has been corrected per the comments submitted 11/17/2016 and will be considered complete upon application of seal and signature, thus meeting the minimum NFIP and CRS requirements, per my interpretation.

Please do not hesitate to call me should you need additional details or have any questions, comments or concerns.
Thank you for your assistance.
