Looking Ahead

Dear Islanders:

I’m pleased to announce that the Village Council approved the site plan for the 530 Crandon Boulevard property. Architects and engineers are in the process of completing the park’s construction plan. Look out for more on this exciting project in the Fall.

In the meantime, the park’s newly installed pump track has proven to be an extremely successful pilot program. The pump track is off-road terrain designed for cycle sports, particularly mountain bikes, BMX bikes, Razor scooters and skateboards. Without exception, 50 to 75 kids use the ramp on a daily basis. We intend to evaluate this popular recreational amenity to potentially make it a permanent feature in the Village.

In more park news, permits for the final component of the park on Hampton Lane were signed and forwarded to a contractor in July to begin work on the final phase. We’re still planning for an early Fall opening.

The first Budget Workshop of the 2017/2018 fiscal year was held at the end of June. The highly attended meeting included members of the public seeking financial assistance for existing programs, as well as people proposing new programs. These programs will be formulated into the first formal budget hearings in September.

The Village continues to offer the on-demand transportation program, Freebee. Also, in keeping with our desire to reduce the number of vehicles on our roadways, we have introduced a bike-share program called LimeBike. The lime-green colored bikes are currently found throughout the community. Residents use a smart phone app to unlock, pay $1 for and ride a bike in 30-minute increments. It’s been a very successful pilot program so far. The Village Council’s guidance and support has been instrumental in the launching of these innovative programs.

As a reminder to the community, the new school year begins on August 21st. We’ll see more kids on bikes, scooters and skateboards riding to and from school. Please be especially careful driving at the beginning and end of each school day. Enhanced police force will be present, but we ask everyone to slow down and watch the roads to ensure the continued safety of our younger residents.

The Maria Verdeja School of the Arts has been serving the Miami community for more than three decades at three dance studios. They proudly offer classes in various dance styles, including ballet, pointe, jazz, contemporary, tap, acro and ballroom. Experienced and first-time dancers are welcomed to join the program.

*Participants are required to take a minimum of two classes per week.

**Classical Ballet**
Considered the foundation to all dance forms, Classical Ballet is the contrast between strong leg movements and the graceful upper body. Technique is based on body alignment, proper placement and posture. Barre and center floor work are combined with choreography combinations to teach musicality, rhythm, coordination and flexibility.

**Contemporary**
Contemporary dance utilizes both the strong and controlled legwork of ballet and modern dance’s stress on the torso and employs contact-release, floor work, fall and recovery and improvisation characteristic of modern dance. Unpredictable changes in rhythm, speed and direction are also used. Dancers use motion to interpret music and express emotion.

**Jazz Funk**
An exciting and derivative style that incorporates both elements and techniques of jazz and hip-hop. Choreography and energetic skills such as high kicks and large jumps are taught to pop and hip-hop music.

**Tap**
A form of dance that uses quick and precise footwork to create rhythmic sounds and syncopation with the tap shoe. This is a lively, rhythmic dance style that makes the performer not just a dancer, but also a percussive musician.

**Acro**
This tumbling course develops balance, coordination, strength and elasticity by perfecting skills in dance stunts and flips.

**Latin Ballroom**
Experience the excitement, glamour and challenge of Ballroom and Latin dancing, including the Waltz, Foxtrot, Tango, Swing, Samba, Flamenco, Cha-Cha-Cha, Rumba, Merengue and Salsa. Students will be introduced to a wide variety of dances and rhythms and learn good poise, proper placement of arms and footwork.

If you love swimming and are willing to work hard to develop and maximize your competitive aquatic skills, then Team Key Aquatics (TKA) Swimfit and Water Polo are definitely for you! Through aquatic sports TKA strives to foster the growth and development of each athlete, regardless of age or ability, in a dynamic environment that encourages goal-setting, dedication, hard work, discipline and a personal commitment to the pursuit of excellence.

TKA’s Swimfit is a conditioning program that mixes swimming, push-ups, sit-ups, squats and other functional movements. TKA athletes are coached to swim freestyle, breaststroke, butterfly and backstroke. The group workouts are short, highly intense and constantly changing, making them fun yet challenging. TKA coaches strive to make their athletes functionally fit.

TKA’s Water Polo program is a combination of swimming, soccer, basketball and rugby. Playing water polo pushes your body to the limits because it requires that you swim constantly. TKA coaches focus on the development of each athlete’s attitude and knowledge of the game.
