

FASHION DESIGN & SEWING WORKSHOPS

Ages 6 - 16 years

Back to Basics helps children develop their own sense of style by teaching the basics of sewing by hand and with a sewing machine. Students will learn how to design their own clothing and cut fabrics to produce their own unique pieces. Instructors provide children the ability to be self-sufficient, creative and confident, guiding them through their own individual creative process. All materials and take-home projects are included in workshop fee. Refunds or credits must be requested at least 24 hours in advance of each workshop.

9:30 – 11:30 AM
Arts & Crafts Room

Member Fee **\$60 each**
Non-Member Fee **\$72 each**
