

KEY BISCAYNE COMMUNITY CENTER 2013 SPRING BREAK CAMPS

**REGISTER
TODAY!**

Marine Biology Camp

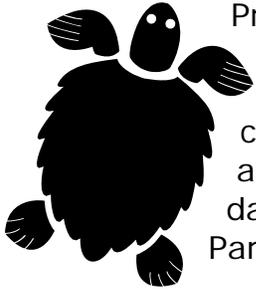

Ages 8-14 years

Members: \$169/session

Non-Members: \$203/session

9:00 am - 1:00 pm

Session: March 25-29

Professor Gerard Loisel has taught marine biology to students of all ages for over three decades and is the former host of the PBS television series Marine Aquarium World. During this camp, participants will study the sea grass community, visit the lab at the University of Miami Rosenstiel School of Marine and Atmospheric Science, explore the intertidal zone at Bear Cut, learn about dangerous marine animals and take a trip to the Miami Seaquarium. Participants must register for the entire week.

Sports Camps

Ages 5-14 years

Members: \$125/week or \$30/day

Non-Members: \$150/week or \$36/day

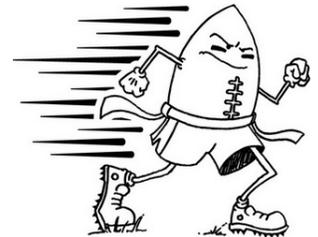

10:00 am - 2:00 pm

Session 1: March 25-29

Session 2: April 1-5

Calling all sports enthusiasts! Whether you are a sports-pro or want to learn some new skills, you'll have a blast in Tony Goudie's sports camps. Each session, Tony offers a fun-filled camp experience where you'll make new friends and memories to last a lifetime. This is a non-competitive environment where you can play your favorite games and perhaps learn a new sport. Session 1 features Flag Football Camp and Session 2 features Basketball Camp.

KBCC Spring Camp

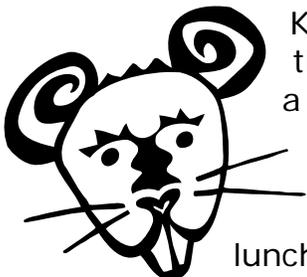

K-8th Grades

Members: \$150/week or \$40/day

Non-Members: \$200/week or \$45/day

8:00 am - 4:00 pm

Session: March 25-29

Key Rats don't have to be bored at home during their vacation breaks – they can have loads of fun at KBCC Camp! Each full-day program offers a variety of activities, which may include computer lab, movies, arts and crafts, games, sports, swimming, field trips and much more. Weekly schedule will be available on the first day of camp. Registration is available by the day or week. Lunch is not included so please pack a lunch for your child. Camp fees include all activities and field trips.
