1. The meeting was called to order at 9:13 a.m.
2. Attendance was recorded by Staff.
3. The minutes of the March 6, 2012 meeting were approved.
4. The Mark Handforth Artwork is a coconut tree shaped flagpole approximately 30 ft. high, made of cast aluminum with a tree bark finish. It requires a foundation to meet the Florida Building Code and has up-lighting. The size of the flag would be proportional to the pole. The Committee said a model would be necessary. Staff was requested to obtain a cost estimate and seek funding sources.
