RE: Resolution of the Village Council Authorizing the Purchase of Equipment and Sustainment from the 2017 Urban Areas Security Initiative Program

RECOMMENDATION

It is recommended that the Village Council approve the attached Resolution providing for a Sub Award Agreement between the City of Miami and the Village of Key Biscayne allowing for the purchase of equipment and training; not to exceed \$15,426.48 provided by the Urban Areas Security Initiative (UASI) as part of a Homeland Security Initiative.

BACKGROUND

The Village of Key Biscayne has identified equipment (security system and cameras) and sustainment needs that have been reviewed and included in the local UASI spending plan by the Urban Area Work Group and approved by the Department of Homeland Security Office for Domestic Preparedness. The Village will be fully reimbursed for the equipment and sustainment of up to the amount identified in the Resolution (\$15,426.48). The funding, through the State of Florida Division of Emergency Management, provides assistance to build, enhance and sustainable capacity to prevent, respond to and recover from threats or acts of terrorism by Chemical, Biological, Radioactive, Nuclear and Explosive (CBRNE) incidents.

The funding of the equipment is on a reimbursement basis, thus, the Village must expend the funds to be reimbursed by the federal government pursuant to the Sub Award Agreement (Exhibit "A") with the City of Miami.
