

## Update on 2040 Vision Board progress

- Board has met 3 times since May 16<sup>th</sup> ... first meeting ...
  
- **Identified 3 tasks**
  - Task 1 – (Summer 2019 - *current task*)
    - Review 2020 Vision Plan and remove completed and/or non-applicable items
    - Update 2020 S.W.O.T. analysis
    - Develop scope and deliverables for planner
    - Get SWOT analysis approved by council
  
  - Task 2 – (Fall 2019)
    - Conduct a Public Forum with planner – establish opportunities and possibilities generated from the public
    - Make list of aspirational visionary ideas
    - Get list of ideas approved by council
  
  - Task 3 – (Spring 2020)
    - Produce conceptual visualization of the approved items and how they relate to the physical characteristics of the Village in 2040
    - Produce an overlay of the vision plan over the entire map of the island. Provide specific perspectives to display the characteristics of the vision
    - Provide a clear and concise vision plan document for optimal use to current and future policy makers
    - Submit Final Document to Council for Approval
