## RISK ACKNOWLEDGMENT, RELEASE OF LIABILITY, AND WAIVER

In consideration of the services of the Village of Key Biscayne ("Village"), acting by and through the Village's Parks and Recreation Department ("Department"), its agents, officers, participants, consultants, independent contractors, employees, and all persons or entities acting in any capacity on its behalf, I, as the parent or legal guardian of a minor child participating in recreational activities of the Department, agree to release and discharge the Village, on behalf of myself, my children, my heirs, my assigns, my personal representatives and my estate, as follows:

1. I acknowledge that participation in the recreational activities offered by the Department entails unknown and unanticipated risks, which could result in physical or emotional injury, paralysis, death or damage to myself, to property or to third parties. I understand that such risks cannot be eliminated without jeopardizing the essential qualities of the activities. I expressly agree and promise to accept and assume all risks existing in participating in recreational activities offered by the Department. My child's participation in these activities is purely voluntary and I elect for my child to participate in spite of the risks. I also acknowledge receipt and acceptance of the Village's COVID-19 Waiver and Acknowledgement Form which is attached hereto and incorporated herein.
2. I hereby voluntarily release, forever discharge and agree to indemnify and hold harmless the Village from any and all claims, demands, or causes of action which are in any way connected with my child's participation in these activities, use of Village equipment or facilities, whether owned or leased, including any such claims which allege negligent acts or omissions of the Village, except such claims, demands, or causes of action that arise out of gross negligence or willful misconduct of the Village.
3. I expressly agree that should the Village or anyone acting on its behalf be required to incur attorneys' fees or costs to enforce this agreement, I shall indemnify and hold the Village harmless of all such fees and costs.
4. I hereby agree to bear costs of any and all injuries or damage my child may cause while participating in recreational activities provided by the Village. I further certify that my child has no medical or physical conditions that could interfere with my child's safety in recreational activities or, alternatively, I am willing to assume and bear the costs of all risks that may be created, directly or indirectly, by any such condition.
5. I hereby give permission that any audio and/or visual images captured of my child during regular Village activities through audio, photo, and/or video means will be used solely for the Village's promotional material, multimedia, and publication purposes without further permission or any compensation to me.
6. By signing this document, I acknowledge that if anyone is hurt or there is property damage during my child's participation in a Village activity, a court of law may find me to have waived my right to maintain a lawsuit against the Village on the basis of any claim from which I have released them herein.

**I HAVE READ AND UNDERSTOOD THIS DOCUMENT. I AGREE TO BE BOUND BY ITS TERMS.
